The City of Wylie seeks qualified individuals to join our dynamic and growing agency as either a licensed Patrol Officer or Police Recruit.

To say that a few things are happening in Wylie would be an understatement. As one of the fastest growing communities in Texas, Wylie has a number of projects that are in the planning or construction stage. From street and road improvements to new buildings and facilities to park improvements, Wylie is working to meet the needs of its growing population. With the growth, Wylie is now home to an expanding business climate with industrial and commercial development. Fortune magazine cites Wylie as the 8th most rapidly growing city in the U.S. We were also voted one of the top 50 "Best Places to Work" by the Dallas Business Journal in 2005. We strive to maintain a professional, competitive and rewarding work environment. Our benefits meet or exceed benefits offered by neighboring cities, including the highest available benefits in the Texas Municipal Retirement System, nine paid holidays a year and fully paid employee insurance. Our Step Wage Plan offers competitive wages with plenty of room to grow. Staff will tell you that Wylie is a great place to work – as evidenced by our exceptional staff tenure and impressive resumes.

Requirements include: High School Diploma or equivalent (12 college credit hours required by TCLEOSE for GED candidates), valid Texas Driver's License without restrictions except "A", United States citizen, twenty-one (21) years of age or older, clear driving record, no felony convictions.
